LEADING TOWARDS **GREENER** FUTURE

ENERGY EFFICIENT LED LIGHTS AND FITTINGS

PRODUCT MANUAL

2019

EXPERIENCE THE BEAUTY OF **LED** LIGHTING

Discover Green Sturlite LED Lights

The Power Of Light

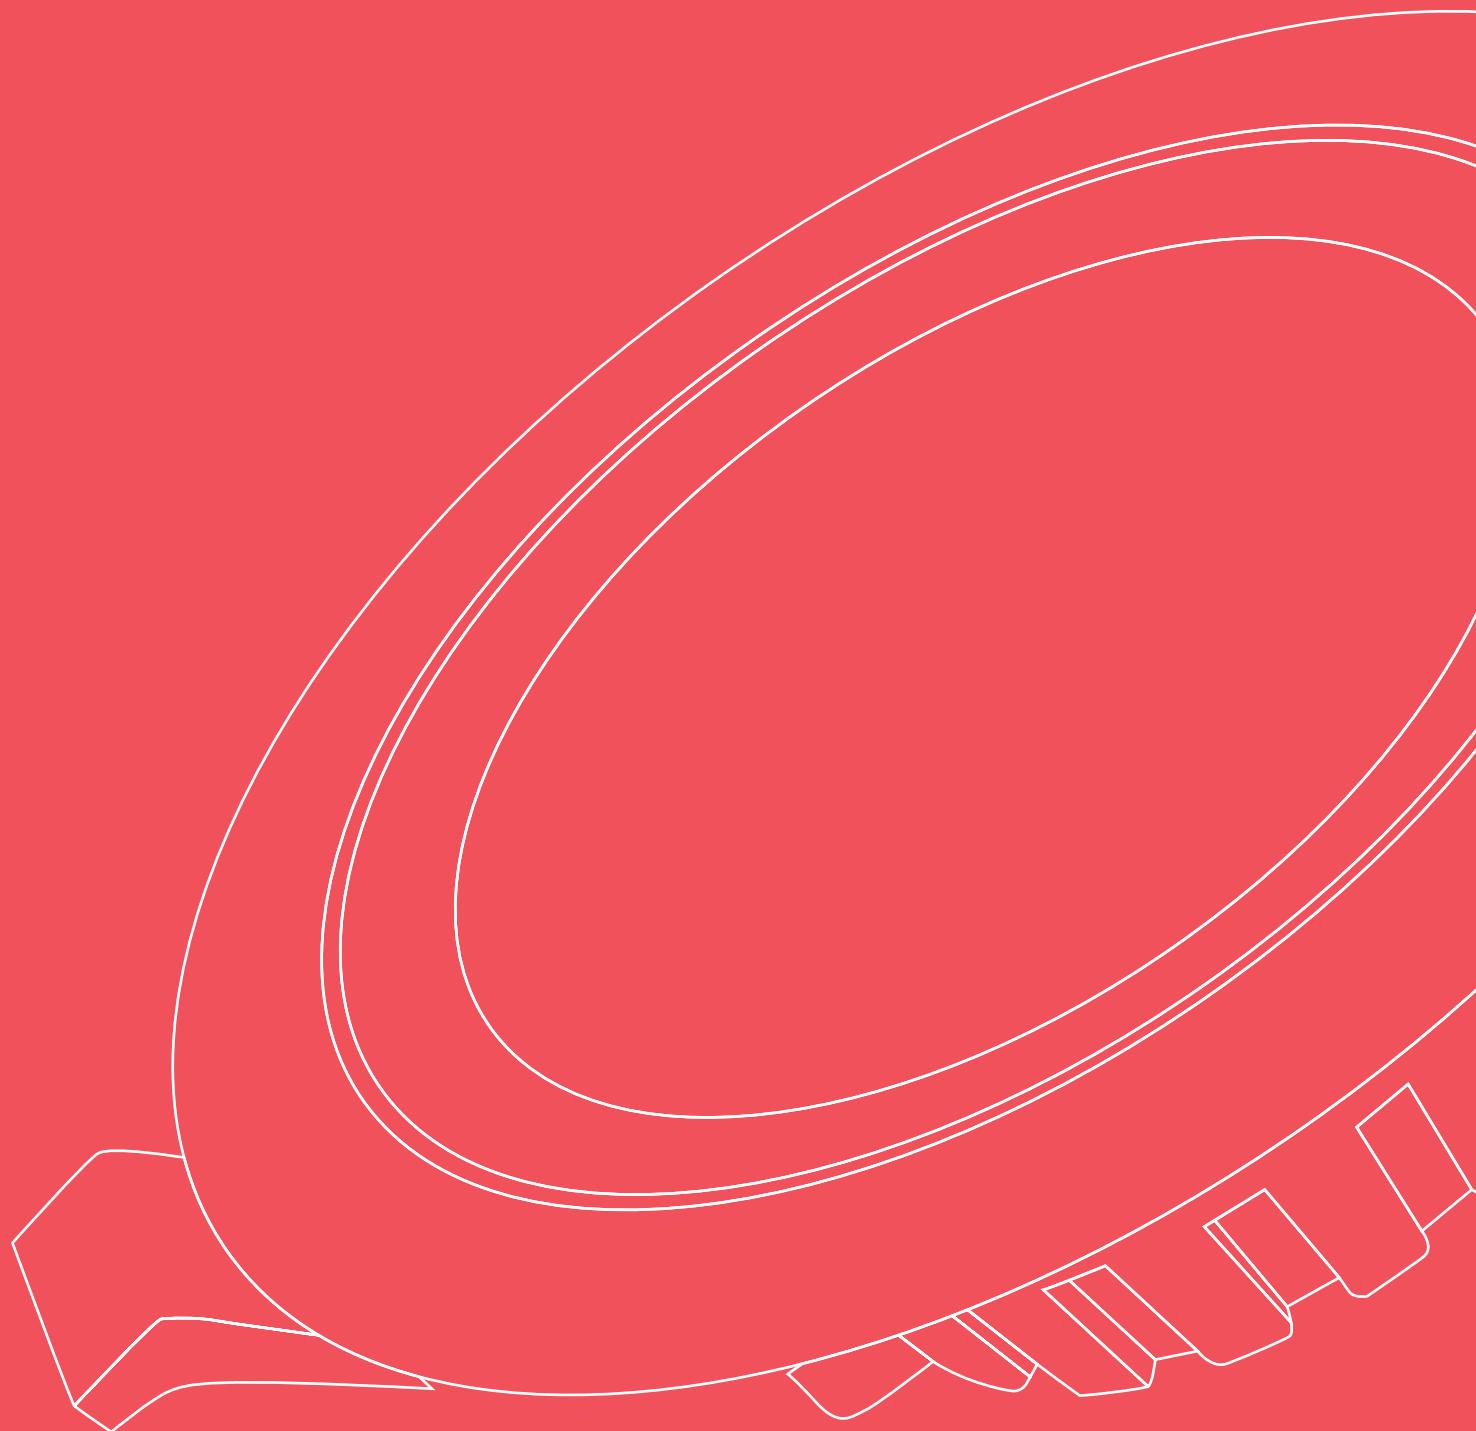

Light affects how we feel, influences the way we respond to the world around us and has a major impact on our decision-making process.

At Sturlite we have the breadth of products, the solution controls and the end-to-end services to help you take full advantage of today's advanced LED lighting solution.

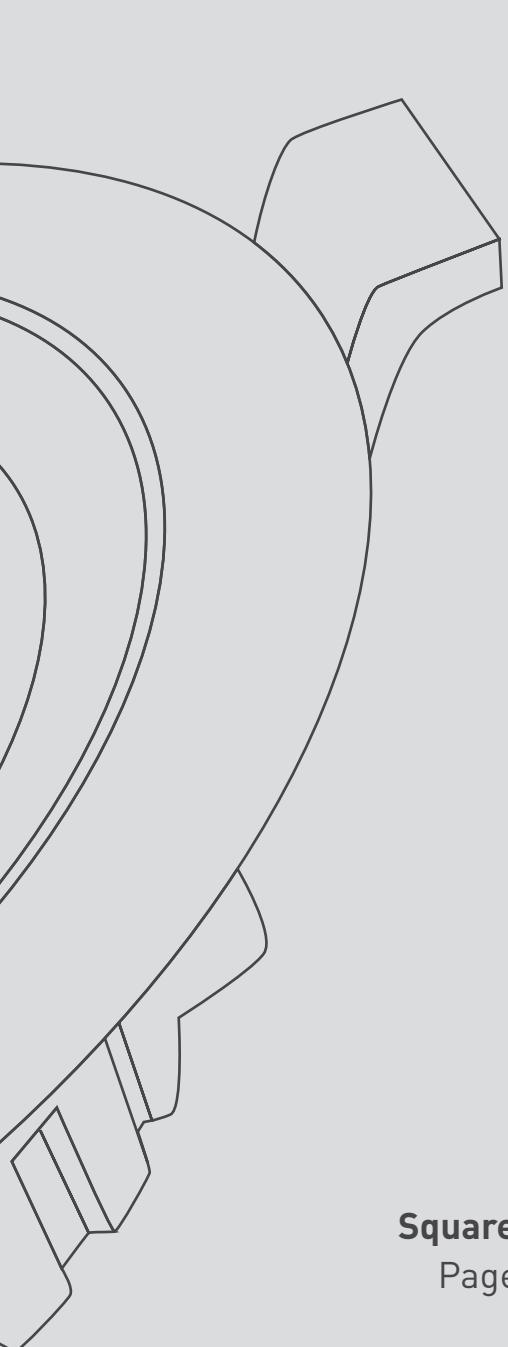

This catalogue explains the critical role lighting plays in illuminating settings, creating a mood that makes people feel comfortable from the moment they arrive, meeting the lighting requirements for many different activities and ultimately, delivering an ambience that makes people feel comfortable in their surroundings.

How many lumens do you need?

Brightness Lumens	LED	eCFL	Halogen	Incandescent
1300+	18W	23W	70W	100W
900+	13W	15W	53W	75W
700+	10W	12W	42W	60W
400+	6W	8W	30W	40W
220+	4W	5W	20W	25W

Inbuilt

4 High performance chip
with 110 Lm/W

02

A large, stylized orange circular light fixture is positioned at the top left, angled downwards towards the center. It has a white mounting plate with a central screw and a small circular label. To its right, a white rectangular LED panel light is shown from a side-on perspective, highlighting its thin profile and the 'Sturlite' logo on its side.

VESTA TRACK LIGHT

An unrivaled combination of light quality and efficiency

Store designers want a spot that fits in with their store design. Visual merchandisers need the very best light quality and spots that are easily adjustable. Maintenance managers and green champions want to reduce energy consumption and maintenance costs. Vesta offers store designers a LED spot with an elegant and compact design that they can customize to suit their needs. It gives visual merchandisers great rendering of colors and whites and excellent color consistency, as well as well-defined, clean beams for maximum impact. All versions of Vesta offer low maintenance and energy consumption.
